[disclaimer] Working as a team

We might look at individual contributions made to Github

- We may assign different grades to different team members

- You are fully responsible for the piece of work you submit

Projects deliverables and grading

1. Automated tests

   - All tests are given so you immediately know how well your solution performs

   - You either pass a test case or fail, there is no partial credit

2. Design document

   - Answer important questions related to your design for a lab

3. Coding style

   - Code must be easy to read and follow coding style guidelines

   - The TA will conduct a code review
